

PROGRAM OVERVIEW

The Gifted and Talented Secondary Selective Entrance Program will give your child the academic background to pursue a university pathway in senior school.

Our Gifted and Talented program will offer students:

- Delivery of the Western Australian Curriculum by specialist teachers.
- Differentiated extension programs providing every child the opportunity to work and achieve to a high standard.
- Challenging and engaging learning opportunities with like-minded students.
- Small classes enabling individual attention for all students with similar interests.
- Links to tertiary institutions that will develop an understanding of university pathways.
- Excursions, competitions and activities to challenge and engage students in an academic context.

TOURS

Students participating in the Gifted and Talented Secondary Selective Entrance Programs are offered a variety of excursions and tours to suit their chosen learning path.

FACILITIES

Your child can discover a world of opportunities in the Gifted and Talented Secondary Selective Academic Program offered at Governor Stirling Senior High School, taught by experienced teachers with specialist knowledge who will develop their talents and help them reach their full potential.

Your child will study with other gifted and like-minded students and follow a curriculum designed specifically for their needs. They will enjoy rich learning environments that are both challenging and stimulating.

BENEFITS

Participating in an academic program means your child can:

- Study in a niche enriched environment.
- Receive individual curriculum attention.
- Have access and links with universities.
- Have contact with leading industry professionals.
- Take part in competitions at national and international levels; and
- Excursion which challenge and engage.

ACCESS TO SPECIALISED PROGRAMS

All students enrolled under this program will have the advantage of access into our school's approved Specialist Programs of Engineering, Artsmedia and Football. Students will also have access to our school-based programs of Music, Dance and Netball.

Students have the opportunity to develop their academic ability, work parallel with our Specialist Programs and excel in the areas of; Mathematics, Science, English and the Humanities and Social Sciences.

ENTRY INTO THE ACADEMIC PROGRAM

For entry to the Gifted and Talented Secondary Selective Entrance Program, your child will need to sit the Academic Selective Entrance Test.

All applications are online at:
www.education.wa.edu.au/giftedandtalented

Applicants are tested each year and the Guidelines for Application and Key Dates and Timelines are also available online.

FURTHER INFORMATION

Our Gifted and Talented Secondary Selective Entrance Programs Coordinator welcomes your enquiries. You can also find out more by visiting the school website www.govo.wa.edu.au to access online resources and the link to the online application.
